

Salish Sea

about 15 minutes walking
about 4 minutes cycling

0 1 2 KM

0 1 MI

The bike route information is provided as a public resource for general information purposes only. The information shown on this map is compiled from various sources, and the City of Richmond and its consultants make no warranties, expressed or implied, as to the accuracy or completeness of the information nor warrant the safety of any route, highway, road, street, designated cycling route or other shown in the map or information.

Signed and Marked Cycle Routes

Signed bikeways are those with route signs and pavement markings. Together these routes make up the formal, designated cycling network.

Comfortable for Most

Separated from traffic

Comfortable for Some

Separated from traffic | Unseparated from traffic

Comfortable for Few

Unseparated from traffic

Informal Cycle Routes

Unsigned bikeways can be used by people cycling but generally do not have facilities, signs or pavement markings to accommodate cycling. These routes are provided for your information only.

Symbols to Know

- Bicycle** – Bicycle route or lane
- Shared Use Lane** – A roadway shared by bicycles and motor vehicles. Arrows indicate where cyclists should be positioned.
- Bicycle with Arrow** – Bike route direction is changing.
- Bicycle with Vertical Lines** – Automatic traffic lights. Cyclists align bicycle wheels with the line to trigger signal change.
- Bicycle Pathway** – Off-street cycling pathway.
- Shared Pathway** – Pathway shared with people walking and cycling.
- Cross-ride (Elephants Feet)** – Marked area where cyclists cross an intersection.
- Green Paint** – Highlights potential conflict areas between cyclists and motor vehicles.
- Bicycle Signal** – Dedicated signal for people cycling.
- Bicycle Box** – Where cyclists are positioned at a red light to turn left, turn right, or go straight before motor vehicles do.

Bikes and Transit

- Bikes on Transit** – TransLink's fleet is completely bike accessible. Electric bikes are permitted on buses (if weighing less than 25kg and battery is removed), SeaBus, SkyTrain, and West Coast Express services.
- Bike Bus to Tsawwassen Ferry** – allows cyclists to seamlessly access the Tsawwassen Ferry Terminal via a seasonal service – the 900 Bike Bus to Bridgeport Station or Tsawwassen Ferry Terminal.
- Bike Parking** – Park your bike at TransLink's growing network of Bike Parkades, key access lockers, and app-activated bike lockers and racks.
- To access Bike Parkades, enroll and register your Compass Card.
- To inquire about renting a bike locker or
- To use TransLink's on-demand lockers and bike racks via a smartphone, scan the QR code.
